SERVICE MEETINGS

A meeting a day for at least the first ninety days of recovery is a good idea. There is a special feeling for addicts when they discover that there are other people who share their difficulties, past and present. In time, we can relax and enjoy the atmosphere of recovery. Meetings strengthen our recovery. We may be scared at first because we don't know anyone. Some of us think that we don't need meetings. However, when we hurt, we go to a meeting and find relief. Meetings keep us in touch with where we've been, but more importantly with where we could go in our recovery. Basic Text, Page 52

Our primary purpose is to stay clean and to carry the message to the addict who still suffers. "Recovery is what happens in our meetings. Our lives are at stake." Basic Text, Page 15
